Project No. 27 - Greek Colonial House, McCutcheonville,
Wyandotte County, Ohio.

Built about 1813. Second frame house in McCutcheonville.
Hewn timber frame. Exterior and interior trim whitewood.
Two story, shingle roof.

Exterior, except for a modern porch, remains substantially
as originally built. Interior plan has been materially
changed.

Stone foundation. Exterior woodwork has so weathered away
that the mouldings and other surfaces show wear and
disintegration. In some places the sharp outlines of
mouldings are blunted.

April, 1934.
